

Music for All

METRO EAST CONCERT BAND FESTIVAL

You have been invited!

The 2019 Metro East Concert Band Festival, a *Music for All Regional Festival*, will feature nationally renowned clinicians and evaluators along with a select group of premier band programs from the St. Louis area in an enriching, valuable, and inspiring non-competitive festival experience.

Performance Highlights:

Bands will perform in the Milburn Campus Auditorium, O'Fallon Township High School's state-of-the-art, 740-seat, 22,000 square foot theatre facility.

One clinician will give each band a 40 minute clinic following their performance. Other panel members will provide taped and written comments to each band.

Each band will also receive a \$200 scholarship to send one student to the *MFA Summer Symposium* at Ball State University and a \$100 scholarship for a director to attend the event.

A professional recording of each band's performance will be provided for rehearsal/critique purposes.

Bands will have the opportunity and are encouraged to stay and watch other performing ensembles. Food and beverages will be available throughout the day in the cafeteria.

O'Fallon Township High School, Milburn Campus
650 Milburn School Rd, O'Fallon, IL 62269

Monday, March 4, 2019
